Some details of the cost are as follows:-

- The price is fixed for entries before February 2024. After that date, the price may increase depending on increased cost of activities.
- The price does not include accommodation. Entrants need to book and pay for their own accommodation.
- The price includes all activities planned for the rally.
- The price includes most lunches and all evening meals but does not include breakfast. There are many choices for breakfast, both in town or at the motel or bring your own.
- A price for children has not yet been worked out, but many of the activities have a discount for children and we will keep working on that.

We realise that some entrants have to leave on the Monday morning, due to work and family commitments, but we would strongly encourage people to stay for the Monday activities. These will include a visit the Monarto Safari Park, amongst other things.

TO ENTER AND PAY FOR THE RALLY

New Entrants – entry forms are available on the Hillman Club of SA website (see details below). A \$100 deposit is required when you submit the entry form to secure your place in the rally.

Those who Have Already Entered and paid \$100 deposit – no need to do anything until February 2024. We will be in contact to find out whether you are able to stay for the full 3 days or not. However, you need to book your accommodation soon, if you have not already done so.

ACCOMMODATION

If you intend to come to the rally, and have not yet booked accommodation, please do not delay. We have booked the whole of the Mannum Motel so there are still some rooms available. However, if you prefer a cabin in the Mannum Caravan Park, which is right opposite the motel, it is filling fast as we are told there happens to be a big wedding in Mannum that weekend. Best to book accommodation sooner rather than later.

THE PADDLE STEAMER “MAYFLOWER”

The PS Mayflower was built in Moana on the Murray River in NSW in 1884, and is the oldest original paddle steamer in South Australia. It has been restored back to its 1913 design and was recommissioned in Mannum in 2016. It may well be part of our Hillman Rally.
